Description

Prata Riverside VillageInspired by the river, by light and by the beauty of the city, Renzo Piano had his vision for the next chapter in Lisbon's life: the Prata Riverside Village. An award-winning neighbourhood, a unique community that takes shape each day and establishes itself as one of the capital's hallmarks. A place where art, design and pure inspiration invite a new way of living in Lisbon, which begins every morning, right inside your home. Lisbon is light. Marvila is creative. The Prata Riverside Village is a new life. And its new building – the SOUTH Building – is where it all comes together and gains new expression.In the SOUTH Building, the diversity of this award-winning project takes on a new dimension. It is the first building in Prata with apartments ranging from studio to 4-bedroom, with a total of 103 apartments with great variety of layouts, starting from 49 m². Each one with the design and finishes that made Prata a world-renowned reference project and one of Portugal's most successful developments.With its name, SOUTH, Prata also pays tribute to the artistic and creative community of Marvila and Beato, home to established and emerging names in the Portuguese cultural scene. Innovators and dreamers, from visual arts to music, of all ages, origins and backgrounds.SOUTH is Architecture. In this case, the inspired touch of Renzo Piano. The visionary and renowned Italian who dreamed of a new way of living in Lisbon. Inspired by Lisbon's relationship with the Tagus, with the sea and with the world, but also with Lisbon's relationship with itself, in its neighbourhoods and traditional villages. An inspiration that is seen and felt, from the overall vision to the smallest detail of the art of building.But SOUTH is also, and perhaps above all, the Art of Living. With quality, with comfort, with strong bonds, with inspiration. It is the art of enjoying life in Parque Ribeirinho Oriente, one of the most appreciated in the country. It is the art of exploring new and delicious flavours in the neighbourhood's restaurants and cafés. The art of being part of a diverse, modern community, of all ages and at all stages of life, from all corners of the world, who have made their home here. It is the art of going for a run, cycling or simply meditating along the river. It is the art of finding what is familiar to us, but also the new and surprising at every corner. And it is the art of discovering, exploring, growing and living well each day.Highlights:Renzo Piano Architecture – the iconic Italian Pritzker Prize winner;Located next to the central square of a new riverside neighbourhood with over 100 commercial spaces and services;Ernesto Meda kitchens in open concept, with or without island, and complete SMEG equipment;Premium finishes that you can experience with a visit to the site;Panoramic elevators with views of the Tagus and the building's shared garden;Energy efficiency Class A or A+;Air conditioning and home automation;Private parking with electric vehicle charger;Storage room.Living in PrataLiving in Prata Riverside Village is choosing rare privileges that will make your life a new life, just a few metres from the Tagus and the new Parque Ribeirinho Oriente. A new space in the city, perfect for walking, running, cycling or simply meditating to the sound of the river waters.It is having a unique coffee in the city.
