Description

This elegant apartment located in Alcabideche offers an area of 84.89 m², with two spacious bedrooms and three comfortable rooms. The property is integrated with contemporary technologies, including home automation and fiber optic internet, ensuring a practical and modern living space.

Equipped with air conditioning and central vacuum systems, the apartment provides an always fresh and clean environment. PVC windows with double glazing help maintain a pleasant indoor temperature and reduce external noise. The use of solar panels reflects a commitment to sustainability, ensuring energy efficiency.

Features accessibility for disabled persons and enhanced security with reinforced door, electric gate and video surveillance, the property also offers TV distribution, electric awnings and exterior lighting. All of this makes this apartment an excellent choice for those seeking comfort and security.
