Area	11.320 m2		

Description

We present this magnificent 11.320 m² plot in São Marcos da Serra, a rare opportunity that combines the serenity of the Algarve's Barrocal with exceptional building versatility. With panoramic views and complete privacy, this property is the ideal "blank canvas" for two distinct investment profiles:

1. The Perfect Family Retreat (Private Villa)

For those dreaming of a countryside dream home, the main ruin allows expansion into a residence of up to 300 m².

Additionally, there is already a secondary ruin converted into a T1 residence (20 m²) with a mezzanine, perfect as an independent guest house or creative studio.

2. Rural Tourism Investment (Up to 2.000 m²)

Due to its size and strategic location, the land offers a large-scale tourism development potential:

Feasibility for a rural tourism project up to 2.000 m² of buildable area (subject to authorities' approval).

The terrain configuration is ideal for an Eco-Resort, Boutique Hotel, or a luxury glamping concept, capitalizing on the growing demand for nature tourism in the Algarve.

Land Features:

Soil and Vegetation: Fertile ground with large trees and native vegetation, ensuring an engaging and organic setting.

Access: Privileged location with good access, just minutes from the village and essential services, maintaining isolation and absolute silence.

Whether creating a family legacy in a spacious village or developing a landmark tourist enterprise, this property offers the scale and guarantees necessary for a secure investment.
