Description

An investment with history. An opportunity to experience Setúbal.

There are properties that are bought. And there are properties that are chosen.

In the heart of Setúbal, Jardins do Morgado is an author-designed project that transforms the heritage of a former estate into an exclusive, contemporary residential development connected to nature.

There are only 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, century-old trees, courtyards and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, there are no identical apartments.

Each unit was designed in relation to the gardens, views and solar orientation, highlighting unique elements such as antique tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements from an 18th-century building, while Casa da Árvore directly relates to century-old trees and spacious balconies. At Casa de Fresco, only one T3 Duplex unit is available.

TO LIVE. TO APPRECIATE IN VALUE.

Jardins do Morgado combines quality of life, exclusivity and differentiation, with:

13 available apartments

Gardens and orchard

Outdoor swimming pool

Gym

Solar panels

Parking

Electric vehicle charging

A PRIVILEGED LOCATION

Approximately 10 minutes from Arrábida, close to Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

On a daily basis, it also benefits from proximity to São Bernardo Hospital, railway station, historic centre and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of a green and exclusive environment, in the centre of Setúbal with excellent connections.
