Description

An investment with history. An opportunity to experience Setúbal.

There are properties that are purchased. And there are properties that are chosen.

In the heart of Setúbal, Jardins do Morgado is an author-designed project that transforms the heritage of an old estate into an exclusive, contemporary residential complex connected to nature.

There are just 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, centuries-old trees, courtyards and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, there are no identical apartments.

Each unit was designed in relation to the gardens, views and solar orientation, enhancing unique elements such as period tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements from an 18th-century building, while Casa da Árvore directly relates to centuries-old trees and spacious balconies. In Casa de Fresco, only one 3-bedroom duplex unit is available.

TO LIVE. TO INVEST.

Jardins do Morgado combines quality of life, exclusivity and differentiation, with:

13 available apartments

Gardens and orchard

Outdoor swimming pool

Gym

Solar panels

Parking

Electric vehicle charging

A PRIVILEGED LOCATION

About 10 minutes from Arrábida, close to Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

On a daily basis, it also benefits from proximity to São Bernardo Hospital, railway station, historic centre and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of an exclusive green environment, in the centre of Setúbal with excellent connections.
