Description

Villa dos Coches is a unique residential development, located on the emblematic Rua da Junqueira, one of Lisbon's most historic areas. Surrounded by landmarks such as the Coach Museum and Belém Palace, Villa dos Coches establishes a dialogue between the city's historical memory and modernity, creating a bridge between Lisbon's past and future. With architecture that unites tradition and innovation, the project by renowned atelier Luís Rebelo de Andrade reflects a perfect fusion between elements of traditional Portuguese architecture and contemporary solutions. The building seeks to preserve the essence of the city, while introducing innovations, becoming a landmark of Lisbon's future. The development is strategically located between the Tagus River and Lisbon's seven hills, within a few minutes' walk of some of the city's main cultural and tourist attractions, such as the Belém Cultural Centre (CCB), MAAT, the Jerónimos Monastery, the Belém Pastries and Belém Palace. The area is well served by public transport, ensuring easy access throughout the city. With a wide range of apartments, ranging from studio to 3-bedroom units, with areas between 45 m² and 155 m², some with parking spaces, Villa dos Coches offers solutions for different lifestyles, from singles to families, to investors seeking profitability. The finishes are of high quality, with a design that ensures durability and strong architectural identity.
