Description

This bright and modern 48 m² one-bedroom apartment is located in the heart of Setúbal's charming historic center, just a short walk from the lively waterfront, local markets, and some of the city's best restaurants and cafés. Everything is within easy reach - in a location that perfectly combines culture, nature, and a strong sense of community.

The apartment is currently undergoing a full renovation, with completion expected by February 2026. The original wooden ceiling will be carefully restored and painted white, the walls finished in white stucco or plasterboard, and the floors laid with oak-style vinyl for a warm yet contemporary feel. The design focuses on simplicity, functionality, and elegance - a calm and inviting home.

Setúbal is a city on the rise. Framed by the stunning Arrábida mountain range and the Atlantic coast, and just 30 minutes from Lisbon, it has become an increasingly attractive destination for both Portuguese and international buyers. In recent years, the historic center has been revitalized with new shops, restaurants, and cultural venues, making the city even more dynamic and desirable.

This apartment is ideal as a primary residence, a weekend getaway, or an investment - especially for those seeking modern comfort and authentic Portuguese atmosphere in a city with rising demand and strong long-term potential.
