Description

The Conde da Ribeira is a residential development in Alcântara, situated in a privileged location with views of the Tagus River.

Designed by the renowned architectural studio Saraiva + Associados, The Conde da Ribeira harmoniously blends the historic tradition of the neighbourhood with a modern, functional architectural approach, benefiting from the unique light that characterises Lisbon.

The building consists of two blocks within a single volume, featuring two underground parking levels and five residential floors. It comprises 24 units, ranging from T0 to T6 +1. The ground floor includes a gymnasium and a common garden exclusively for residents. The uppermost floors are reserved for five penthouse duplexes.

The Conde da Ribeira is located on Junqueira Street in Alcântara – a cosmopolitan and safe area where tradition endures, filled with points of interest that offer a vibrant yet tranquil lifestyle. Just steps from Lx Factory, Santo Amaro Dock, MAAT, Pestana Palace, green spaces, retail outlets and a wide cultural offering, the development also benefits from proximity to reference hospitals such as Egas Moniz and CUF Tejo, ensuring comfort, convenience and quality of life.

The project is aimed at those seeking a family-friendly environment on Junqueira. Contact us for more information!
