Description

Conde da Ribeira is a residential development in Alcântara, in a privileged location with views over the Tagus river.

Designed by the renowned architectural firm Saraiva + Associados, Conde da Ribeira harmoniously combines the historic tradition of the neighborhood with a modern, functional architectural approach, benefiting from the unique light that characterizes Lisbon.

Composed of two blocks in a single volume, with two underground parking levels and five residential floors. It comprises 24 units, with typologies ranging from studio to 6-bedroom plus 1. The ground floor features a gym and a shared garden for exclusive use by residents. The top floors are reserved for five penthouses (duplexes).

Conde da Ribeira is located in Junqueira, in Alcântara, a cosmopolitan and safe area where tradition endures over time, full of points of interest that provide a vibrant and, at the same time, peaceful lifestyle. Just steps away from Lx Factory, Santo Amaro Dock, MAAT, Pestana Palace, green spaces, commerce and a vast cultural offering, the development also benefits from proximity to leading hospitals, such as Egas Moniz and CUF Tejo, ensuring comfort, convenience and quality of life.

A development designed for those seeking a family environment in Junqueira.
