## Description

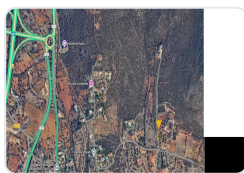

Urban land for building your own villa or for investment, with a gross construction area of 112.14m<sup>2</sup> provided for in the CPU, already with power and water installed, forming part of a closed condominium and with easy access to the freeway and the city of Olhão.

Option to build a 2-storey villa, two semi-detached villas, also with 2 floors, which could be used for rentals.

But there is also the possibility of building just one family home, where a swimming pool and garden could be added.

If you are considering one of these options for investment or a permanent home in a calm and peaceful area, or even looking for an investment, I suggest you visit the plot to see what other options are available.
