- EXCLUSIVE -

Elegant two-bedroom apartment on the top floor with spacious terrace, in the heart of the historic center of Portimão.

In the heart of the historic center of Portimão, on a quiet one-way street, discover this magnificent apartment located on the top floor of a small four-story building with an elevator.

Spacious, bright and with excellent east-west orientation, this apartment stands out for its generous proportions and authentic Portuguese character. Traditional tiles, fireplace, arched windows and wrought iron details give it a unique identity and atmosphere, rarely found on the market.

The spacious and particularly bright living room allows the creation of various spaces, such as living and dining areas. It opens generously to the outside and has several direct accesses to the terrace.

The terrace is undoubtedly one of the highlights of the apartment. With a generous 50 square meters, it extends along the entire length of the apartment and is partially covered, offering a true extension of the living area. Decorated with Portuguese tiles and wrought iron work, the apartment offers a variety of spaces for dining, entertaining or simply enjoying the Algarve climate.

The perfect integration between interior and exterior spaces creates a pleasant sense of home in the heart of the city.

The modern, spacious and fully equipped kitchen offers ample storage space and a particularly functional work area.

The generous master suite, with its numerous closets, features a private bathroom with double sink and spacious shower. It also offers enough space to create a relaxation area or a home office.

A second bedroom, currently used as an office, and a second bathroom with a shower complete the living area.

The apartment also includes a balcony with a service area and storage space.

For maximum comfort throughout the year, all rooms have reversible air conditioning and shutters, and the windows are double-glazed.

The apartment is being sold fully furnished and tastefully decorated.

Another particularly interesting feature: the property has a spacious attic located directly above the apartment, which occupies its entire area and offers significant additional space.

A Privileged Location

Situated in the heart of Portimão, the apartment is within a short walk of shops, the municipal market, restaurants and the pedestrian zone, allowing you to fully enjoy the vibrant city center.

Top floor, spacious terrace, elevator, east-west orientation, generous dimensions and Portuguese charm: a rare combination for an apartment with true personality in the heart of Portimão.

A property to discover and fully appreciate its spaciousness, abundant natural light and the unique atmosphere of its terrace.

The apartment is currently rented for €1,500 per month with a contract until November 2027.
