Description

Experience the perfect transition from city to serenity. Just a stunning 10-minute drive through rolling green hills takes you from the vibrant center of Lagos to this secluded suburb in Colinas Verde—a hidden gem where modern comfort meets rustic elegance. Stepping inside one of the home's multiple entrances, you are immediately greeted by stunning handcrafted wooden features built into the architecture. These bespoke details offer a unique blend of modern sophistication and countryside charm. Originally built in 1973 but subject to continuous good quality maintenance, modern upgrades and a legalized expansion project, ensuring it meets 2026 standards of comfort.

Indoors Review:

Kitchen: The gourmet kitchen is a chef's dream, outfitted with premium cabinetry and Smeg and Siemens appliances. Its stylish rustic door towards the dining and living areas allows for a perfect flow for entertaining.

Social Areas: The layout is designed for easy living. The dining room flows into the main living area, where a beautiful built-in wood fireplace, storage shelves and cozy seating nooks create a welcoming atmosphere.

Rooms: The villa's interior is defined by a masterclass in architectural versatility, highlighted by a sophisticated mezzanine that adapts effortlessly to your needs as a private library, an expansive game room, or an additional guest suite complete with its own full bathroom. Three generous, sun-drenched bedrooms, each featuring integrated wardrobes and a seamless transition through sliding doors to the lush gardens and pool area, with one bedroom being another ensuite.

Office and Gym: Professional and wellness needs are equally prioritized, offering a bright, executive office thoughtfully converted from the original garage, alongside a charming external wooden cabin near the sauna that currently provides a tranquil setting for a private home gym. There are multiple indoor and outdoor storage rooms.

Outdoor Review: The exterior is where this property truly transcends the ordinary. Set on a mature, south-facing plot, the estate is a haven of total privacy and natural beauty.

Fruit Trees: Wander through your own private grove featuring peppercorn trees, prickly pear cacti, a banana tree and a variety of other fruit-bearing trees.

Curated Pathways: Start your morning with a peaceful stroll along purpose built pathways, perfect for walking your animals or enjoying a meditative circuit of your grounds without ever leaving home.

Entertaining & Relaxation: Choose from multiple terraces throughout the day, whether you are hosting a lively dinner party or seeking a peaceful rest.

Rejuvenation: Relax in the private sauna, enjoy the tranquil fish pond by the floating teepee lounge area, or take a dip in the large swimming pool, which is entirely sheltered and walled for absolute seclusion.

Rental Potential: Exceptional potential for high-end holiday rentals due to the T4+1 configuration and private pool/sauna amenities.

Schedule a private tour today to experience the peaceful gardens and handcrafted charm of this hidden gem while the recently reduced price makes it an unbeatable opportunity.
