## Description

---

There are apartments that serve a purpose.

And there are others that completely change the way you experience a city.

In the heart of Tavira's historic center, this fully renovated T3 combines natural light, location, and an atmosphere that is hard to find.

A few minutes' walk from cafes, restaurants, local shops, and the historic area, it is the type of apartment designed for those who value living in the city authentically, without sacrificing comfort, tranquility, and functionality.

With east/west exposure, sunlight crosses the entire house throughout the day, creating a warm and light environment in each room.

The open-plan living room and kitchen are designed for modern daily life: hosting friends, cooking, working, or simply enjoying Tavira's relaxed pace.

The apartment also features:

- Master suite with walk-in closet
- Fully equipped kitchen
- Air conditioning in the living room and pre-installation in other rooms
- Double-glazed tilt-and-turn PVC windows
- Contemporary finishes and natural tones
- Two renovated bathrooms
- Excellent use of natural light

But the true highlight is the feeling it transmits.

From the living room, the view over the historic area, the wall, and the traditional surroundings make this apartment more than just a home, they make it an experience of living in Tavira.

Ideal for permanent residence, second home, or investment.
