Description

In the exclusive Cerro Azul Development, a rare opportunity arises to acquire an urban land of about 1,520sqm, accompanied by a sophisticated contemporary architecture project designed in detail to provide a luxury living experience, privacy, and complete harmony with the surrounding nature.

The house stands out for its minimalist lines, pure volumes, and the strong connection between interior and exterior, emphasizing natural light through large glazed openings and the impressive double-height ceiling in the social area.

The project includes:

- Spacious living and dining room of about 58sqm
- Contemporary kitchen with central island
- 5 bedrooms, including an elegant master suite with walk-in closet
- Private lounge area on the upper floor
- Panoramic terraces
- Pool of approximately 57sqm
- Exterior areas designed for maximum privacy
- Carport and large technical areas
- Architecture integrated into the natural topography of the land

Every detail was thought out to create a sophisticated residential experience, where contemporary architecture blends with natural materials, light, tranquility, and comfort.

Located in one of the most prestigious developments in the Olhão area, just minutes from the Marina, Ria Formosa, beaches, golf courses, and Faro International Airport.

A contemporary vision created for a life without rush.

More than a plot of land, a unique opportunity to create a true authorial villa in the Algarve.
