Description

In Caxias, an exclusive development consisting of only 24 T3 and T4 Duplex apartments is born, designed for families seeking more comfort, quality of life, and well-being, the CAXIAS HEIGHTS.

With contemporary architecture and high-quality finishes, each residence was designed to provide spacious, bright, and functional spaces, where design and elegance blend into everyday family life. The interiors are distinguished by noble materials, such as natural oak flooring, and by thermal and acoustic comfort ensured by double glazed windows with thermal break.

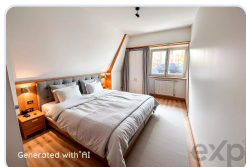

CAXIAS HEIGHTS offers a set of amenities designed for all generations:

- Heated outdoor swimming pool to enjoy all year round;
- Fully equipped gym for daily workouts;
- Co-working space with integrated phone booth, ideal for hybrid work;
- Multi-purpose room with integrated kitchen for moments of socializing and celebration;
- Indoor space dedicated to children, providing safe fun.

More than a residential development, CAXIAS HEIGHTS is a place where family life gains a new dimension, combining tranquility, exclusivity, and convenience in one of the most privileged areas of the Cascais line.
