Description

Main house with independent accommodation and a privileged viewpoint over the cubist city, the ria and the Algarve mountains!

There are beautiful houses.

And then there are those that make us imagine an entire life before we even cross the threshold.

Imagine starting the day with a walk to the market. Choosing fresh fish just arrived, bringing seasonal fruit home and returning through the white streets of the cubist city while the Ria Formosa shines in the distance.

Here, that is not a holiday experience.

It is simply the routine.

Hidden in the historic heart of Olhão, this property reveals itself discreetly behind a traditional façade, preserving the authenticity and character that made this city so special.

But what makes it truly rare is not just the location.

It is the way it was designed to live different moments of life.

On the ground floor, a welcoming independent apartment, currently operated as a holiday rental, receives visitors seeking to discover the essence of Olhão.

On the upper floors, the main house develops naturally, following the rhythm of the city itself. Bright spaces, high ceilings, traditional flooring and corners full of personality create an atmosphere difficult to reproduce in modern constructions.

And then come the terraces.

First, a view over the white rooftops of the city.

Then, a few more steps.

And finally the viewpoint.

A place where the gaze is lost between the Ria Formosa, the Municipal Markets, the sea and the Algarve mountains. A constantly changing scenery, where each hour of the day offers a different light and each sunset seems more impressive than the last.

It is the perfect space for a sunrise breakfast, a lunch after the market or a glass of wine in the late afternoon while the city lights begin to turn on.

Properties with this location are rare.

Properties with this view are even rarer.

And few manage to offer simultaneously a house full of character, independent accommodation and one of the most emblematic views of Olhão.

More than a property.

A way to experience authentic Algarve.
