## Description

Apartments at the top of the hill with stunning views over the city, in one of Lisbon's most traditional neighborhoods.

In the stunning parish of São Vicente, located in the historic center of Lisbon and surrounded by several historic neighborhoods, we present Graça I.

The project offers 21 apartments with different typologies, including studios, 1-bedroom, 2-bedroom and 3-bedroom units, as well as private parking spaces.

This neighborhood extends predominantly on a hill, with elevated points that offer stunning views.

Despite its central location, the neighborhood maintains a peaceful atmosphere, characterized by traditional cafés, local commerce and historic shops.

The demand for properties in this area has been growing in recent years, reflecting its diversity and the dynamism that characterizes its streets.
