Description

An investment with history. An opportunity to experience Setúbal.

Some properties are bought. Others are chosen.

In the heart of Setúbal, Jardins do Morgado is an author-designed project that transforms the legacy of an old estate into an exclusive, contemporary residential complex connected to nature.

There are only 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, century-old trees, courtyards and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, no two apartments are identical.

Each unit was designed in relation to the gardens, views and solar orientation, highlighting unique features such as vintage tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements from an 18th-century building, while Casa da Árvore directly relates to century-old trees and spacious balconies. In Casa de Fresco, only one T3 Duplex unit is available.

TO LIVE. TO INVEST.

Jardins do Morgado combines quality of life, exclusivity and differentiation, with:

- 13 available apartments
- Gardens and orchard
- Outdoor swimming pool
- Gym
- Solar panels
- Parking
- Electric vehicle charging

A PRIVILEGED LOCATION

Approximately 10 minutes from Arrábida, near Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

In daily life, it also benefits from proximity to São Bernardo Hospital, train station, historic center and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of an exclusive green setting, in the center of Setúbal with excellent connections.

JARDINS DO MORGADO
