Description

An investment with history. An opportunity to live in Setúbal.

There are properties that are purchased. And there are properties that are chosen.

In the heart of Setúbal, Jardins do Morgado is an authored project that transforms the heritage of a former estate into an exclusive, contemporary residential complex connected to nature.

There are only 19 apartments, distributed across four buildings with distinct identities, Casa do Morgado, Casa de Fresco, Casa da Árvore and Casa da Fonte, surrounded by gardens, century-old trees, patios and outdoor spaces.

EXCLUSIVITY THAT CANNOT BE REPLICATED

Here, no two apartments are alike.

Each unit was conceived in relation to the gardens, views and solar orientation, enhancing unique elements such as antique tilework, generous ceiling heights and original fireplaces.

Casa do Morgado preserves historical elements of an 18th-century building, while Casa da Árvore directly relates to century-old trees and spacious balconies. In Casa de Fresco, only one 3-Bedroom Duplex unit is available.

TO LIVE. TO INVEST.

Jardins do Morgado combines quality of life, exclusivity and differentiation, with:

13 available apartments

Gardens and orchard

Outdoor swimming pool

Gym

Solar panels

Parking

Electric vehicle charging

A PRIVILEGED LOCATION

Approximately 10 minutes from Arrábida, close to Tróia and Comporta, with five golf courses in the region and Lisbon approximately 30 minutes away.

Day-to-day, it also benefits from proximity to Hospital de São Bernardo, the railway station, historic city centre and ferries.

Jardins do Morgado offers the best of both worlds: the tranquility of an exclusive, green environment, in the centre of Setúbal with excellent connections.
