Description

Your next chapter in Lisbon begins on Rua Braamcamp

Imagine starting your day with a coffee on the balcony and feeling the rhythm of Lisbon from an elevated floor. Then, leave home and have the city waiting for you: tree-lined avenues, gardens, restaurants and neighborhoods full of character.

On Rua Braamcamp, this apartment combines 79 m² of private gross area, two facades, facing the street and the rear, and the convenience of being in a building with an elevator. The balcony adds a space to breathe, enjoy natural light and take a break in the fresh air.

The location is one of its major attractions. Close to Avenida da Liberdade and Marquês de Pombal, it allows you to live in a central area of Lisbon, with shops, services, cafes and restaurants in the surrounding area. Access to Marquês de Pombal and Rato metro stations facilitates your commute and gives you greater freedom to organize your daily life.

Príncipe Real invites you to discover independent shops, choose a restaurant for dinner or spend an afternoon on a terrace. For moments of rest, Jardim da Estrela is another destination you can include in your leisure routines: a walk among trees, a pause to read or a weekend gathering.

Living here means being able to choose how to enjoy Lisbon: go out for dinner, walk along Avenida da Liberdade, explore nearby neighborhoods or simply return home and enjoy your balcony.

A home for those who value centrality, mobility and the pleasure of having so many possibilities nearby.

Come discover the space and find out how you can adapt it to your lifestyle. Schedule your visit.
